I voluntarily choose to participate in the Program and assume all risks associated with my participation, including emotional discomfort, personal insights, or decision-making resulting from information, discussions or exercises. I understand that nature of the topics, content, or exercises pertaining to the Program may be divergent or disruptive to my worldview and it is my responsibility to steward my wellbeing, discontinue any uncomfortable engagement, notify the facilitator immediately, and seek relevant professional services at my discretion should this occur.

5. Technology & Recording Consent

I acknowledge that technical issues may occur and that the facilitator is not responsible for interruptions in service or platform failures. I consent to the Program sessions being recorded for educational or archival purposes, and therefore grant the facilitator a non-exclusive license to use the recordings for Program operations.
